FOR THE FALL OF 1870.

WHOLESALE CATALOGUE

OF THE

STAR NURSERIES,

TWENTY-FOURTH ST., BET. MAINE AND STATE STS.,

QUINCY, ILLINOIS.

HARGIS & SOMMER, Proprietors,

OFFICE.—Corner Twenty-Fourth and State Streets.

We herewith present to the trade our Wholesale List of our stock, in the main, as we have to offer in Quantity. Induced and encouraged by the very liberal patronage we have enjoyed, we have lately extended our planting very materially, sparing neither pains nor expense in the selection and preservation of our scions, and the stocks upon which the growth of our Trees have been grafted corresponds in size to the large demand.

We cordially ask the attention of Planters and Dealers to our stock, and trust that in all cases where possible, they will visit and make personal inspection of it thereby becoming satisfied, as they cannot help but be, of the superiority and desirableness of what we offer. Our grounds are easy of access, and we invite all to call early to call.

It will be to the advantage of purchasers to make out their orders EARLY.

Please to write your name and address plainly, and in DISTINCT LEGIBLE FORM. Let it be on a separate sheet from the body of the letter.

All trees will be packed in the best manner, for which a charge will be made sufficient only to cover the cost of material, and shipped as may be directed, and will be forwarded ENTIRELY at the **RISK OF THE PURCHASER.**

In every case our customers will please specify plainly and definitely **THE MODE AND** priority by which they wish their orders executed, and the party in whose care they want them consigned. This is very important to prevent delay and disappointment. When no directions are given, we shall use our best judgment.

WE WISH IT DISTINCTLY UNDERSTOOD that those not remitting with the order, will be required to give **GOOD ENDORSED NOTES** payable at some Bank.

In all cases where the varieties ordered cannot be supplied, we reserve the right to substitute other kinds of equal value, unless otherwise directed.

If any error is committed in filling orders, the purchaser is expected to notify us at once, as **No Claims for Reduction will be Allowed, Unless Made within Ten Days** after receipt of stock. Our stock is large and complete for this season. Its quality, and our shipping facilities are unsurpassed. Freight must fifty per cent cheaper than heretofore, is the point first of this. The prices indicated apply only to the quantity specified.

When **LONG LISTS OF SPECIFIED VARIETIES** are ordered, we will make a reduction from our Retail Price List; but in **NO CASE WILL WE FILL SUCH ORDERS AT PRICES NAMED IN THIS CATALOGUE,** except by special agreement.

Persons not acquainted with the varieties of Trees and Plants, by leaving the selection to us may depend on getting good varieties.

Letters of inquiry cheerfully answered, and full **DESCRIPTIVE CATALOGUES** sent on application. Orders filled promptly.

OSAGE HEDGE PLANTS.

Our Plants are grown expressly for us on new soil, and are very fine. Parties wishing to contract plants for Fall or Spring delivery would do well to correspond with us early. Price: 10,000 at $1 50; 100,000 at $1 35; 1,000,000 at $1 25 per M.

APPLE GRAFTS.

Our Grafts are put up in the best manner by experienced workmen from perfectly healthy roots and scions, and are worth twice as much as Grafts ordinarily put up for the trade. To secure varieties desired, orders should be sent in early.

On all small orders we require one-half cash with the order, on large orders, we require one-fourth cash with the order.

Price per single thousand, $10 00; ten to twenty thousand at $8 00; twenty-five to fifty thousand at $7 50 per M.; one hundred thousand at $7 00 per M.

SPECIALTIES.

We wish to call the special attention of Nurserymen, Dealers and Planters to the following stock, which is extremely fine:

200,000 Extra Fine Apple Trees, 4 to 6 feet.
25,000 Selected Peach Trees, very fine.
10,000 Standard Pear, nicely branched.
10,000 Dwarf Pear, extra fine.
12,000 Cherry Trees.
15,000 Red Dutch Currant, one and two years.
15,000 Houghton Seedling Gooseberry, one and two years.
50,000 Grape Vines, one and two years, leading kinds.
40,000 Blackberries, mostly of the new varieties.
15,000 Raspberries, general assortment.
10,000,000 Osage Hedge Plants.
